A NOTE FROM THE TRIAL SECRETARY

Welcome to the Bendigo Obedience Dog Club Inc. 15th Open Tracking Trial at Woodstock-on-Loddon.

Firstly I would like to thank Bill and Irene Punton for the use of their property once again.

Next I would like to thank the members of the Bendigo Obedience Dog Club, the Victorian Tracking Club and friends who have given up their time to come and help us conduct our trial.

Just some riveting information relative to the local area:

WOODSTOCK-on- LODDON. How is that for an impressive name – not to be confused with Stratford-on-Avon. This is a small locality just outside of Bendigo, although it has been a locale for over 150 years, it was not taken under the wing of Bendigo until 6th March 1994, prior to that it was part of the Marong Shire.

Many of the original families still have descendants in the area working their farms, as as was in the early days in small communities – neighbours married neighbours thus entwining the properties to these days.

The area also has a dormant volcano known locally as Bald Hill. Do not panic – it has not erupted or more than 1, 644,400 years – we will let you know if we hear anything to the contrary in plenty of time. The evidence of previous eruptions can be seen in most paddocks with large areas of scoria scattered around. That is enough doom and gloom maybe.

We hope that the competitors who have entered this year are successful and return next year and maybe with a bit of luck, others may decide to take the plunge and enter our trial next year.

Have a great day. Bye for now. Keep on tracking.

Patricia Lumsden
Trial Secretary
