4Legs – Complete and Balanced Pet Food for your best friend

Nutritional Information for this 4Legs article is supplied by Jonathon Woodroffe B.Sc(Hon) M.Sc, consulting Animal Nutritionist to the 4Legs Pet Food Company.

Selecting a healthy diet for our pets can be challenging. Many of us tend to look for the individual ingredients on product labels that are regarded as beneficial. However, in order for a pet food to be certified complete and balanced it must contain adequate amounts and correct proportions of all the different nutrients required to maintain health and vitality.

These include: Protein, Carbohydrates, Mineral, Fat, Vitamins and Water. When adequate amounts and correct proportions of these nutrients are achieved, your pet's diet is said to be *complete and balanced*.

An easy way to ensure this is to feed your pet a food that is guaranteed by the supplier to be complete and balanced. A reputable manufacturer will ensure their product meets recognised international scientific standards before providing such a guarantee.

All 4Legs pet food varieties: All Natural, Home Cooked with Gravy and Puppy are **certified complete and balanced** in addition to being 100% preservative free. 4Legs All Natural and Home Cooked with Gravy meet the nutritional requirements of The Association of American Feed Control Officials (AAFCO) Nutrient Profile for adult dogs, while 4Legs Puppy meets the nutritional requirements of AAFCO Nutrient Profile for growth and reproduction. So you can be sure your pet will get the vital nutrition he or she needs to be fit, healthy and active at all stages of its lifecycle.

The 4Legs product range is available in the following delicious varieties:

All Natural – Lamb, Rice and Vegies, Beef Macaroni and Vegies, Chicken Pasta and Vegies, Chicken Rice and Vegies.

Home Cooked with Gravy – Lamb and Rosemary with Gravy, Turkey and Thyme with Gravy.

Puppy – 3 Meats with Rice and Parsley (low allergenic)

In addition to feeding your pet a complete and balanced meal such as 4Legs, controlling its energy intake and exercise regime (so it maintains an ideal body weight) is one of the best things you can do to promote longevity and on-going good health.

You can find 4Legs certified complete and balanced dog food in your supermarket pet food fridge. For the full article and more information about 4Legs visit www.4legs.com.au or free call 1800 655 687.

4Legs Meals:

- Are certified 'complete and balanced' (meets the nutritional requirements established by AAFCO Dog Food Nutrient Profile for adult dog maintenance) so you can be sure your pet will get the vital nutrition he or she needs, to be fit and healthy and active.
- Are prepared by gently blanching chicken or beef with either rice or pasta, then diced into meaty chunks for your convenience (so it's ready to serve as soon as you get it home!).
- These cooked chunks of meat and pasta or rice are coated with a blend of vegetables and herbs for added nutrition.
- Are free of preservatives, artificial colours and flavours and must be kept refrigerated (that's why 4Legs meals are so cool!!)
