**CANCELLATION**

**OF**

**DOGS VICTORIA STATE TRACKING TRIAL**

Due to the current restrictions put in place by the Victorian State Government in relation to the COVID-19 virus, the DOGS Victoria - Obedience Tracking & Endurance Committee Members (OTEC) has made the decision to cancel the 2020 State Tracking Trial which was scheduled to be held on 22<sup>nd</sup>, 23<sup>rd</sup> & 24<sup>th</sup> August.

As you are all aware these decisions are not made lightly, they are always done in the best interests of our judges, stewards, competitors and helpers.

We are all looking forward to a bigger and better 2021 tracking season in Victoria.  
Take care.
