Obedience Tracking and Endurance Committee
Supported by Friends of Obedience

This Trial is conducted by the OTEC of DOGS Victoria under the Rules and Regulations of the VCA Inc, a copy of which is available with the Trial Secretary.

*On behalf of the Obedience, Tracking and Endurance Committee, I welcome you to the first trial in Victoria since March 2020.
What a year we have all had and thank you for your entry and wish you all an enjoyable evening competing with your dog and catching up with friends.....social distancing of course...
Thank you to our judges and stewards for your time and expertise.
Also thank you to all who have assisted in any way to bring this trial to fruition.
I hope everyone has a wonderful evening!*

Cheers,

Lynn Klecka - Chair - OTEC

PRECINCTS OF THE TRIAL

The precincts of this trial are the entire grassed competition area plus an exclusion zone of 10 metres around that area and all other rings set up, as indicated by the line on the plan shown on the next page.

AWARDS PRESENTATIONS

Presentations will take place outside each ring at the end of the class.
There will be a short delay while results are compiled, and cards are printed.

Also results after your run will be given by the judge to the steward who will write them on the master sheet and on a board outside the ring. You must record your scores from the board as the judge can't give you your sheet.

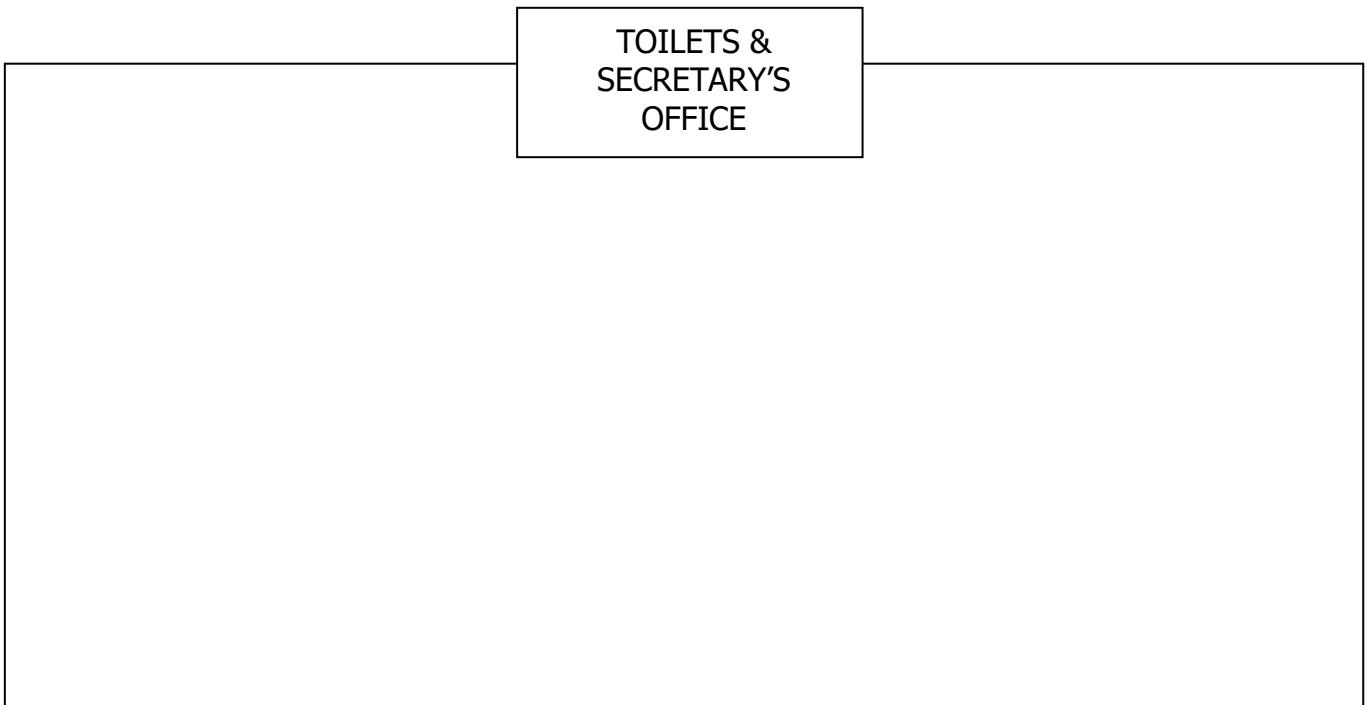

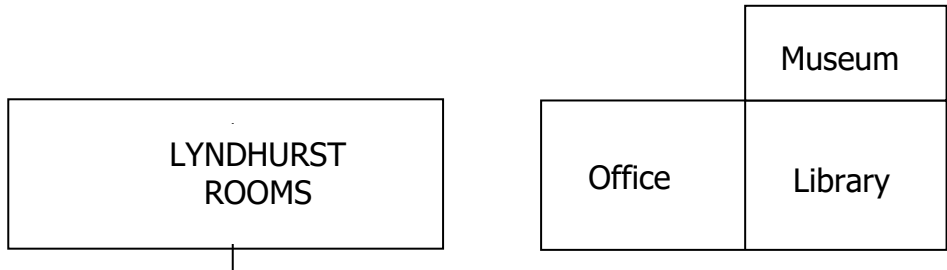

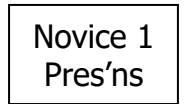

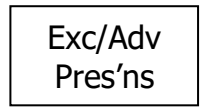

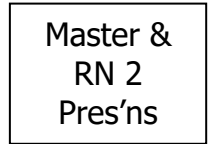

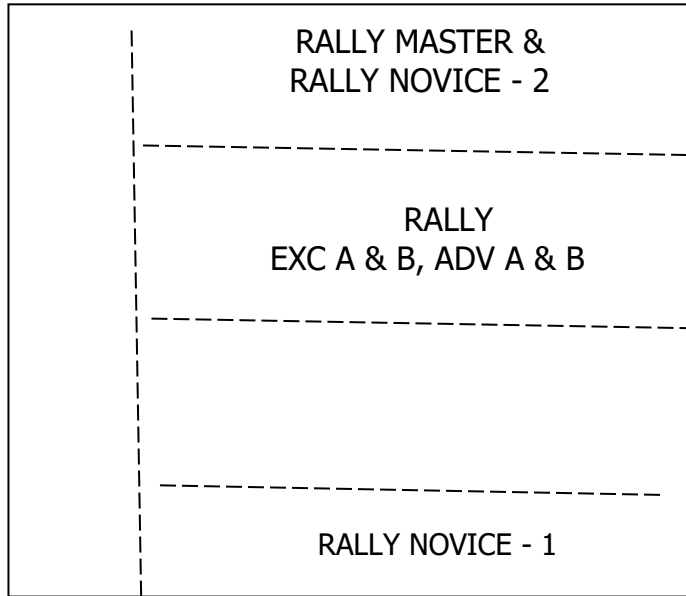

Be sure to check the Jump Height shown in this catalogue for your dog.

If it is incorrect, please advise the Trial Secretary by email or text message ASAP:
peter@thehowards.id.au or 0403 188 823. Thank you for your co-operation.

RING PLAN

TOILETS

THANK YOU

A very, very special thank you to the wonderful group of people known as Friends of Obedience, without whose help and support this trial would not have been possible. They have stepped up to be stewards, provide catering, check everyone in, vet your dogs, set up rings, and clean up after everyone else has gone home. This group is simply awesome!

Peter and Dawn Howard

Absolutely important advice. Please read carefully. It is the responsibility of each attendee to be familiar with, and adhere to, all applicable Covidsafe measures including the following:

1. Advice to competitors

- Clear instructions for check-in times are provided as per catalogue
- Handlers must not attend if they have any of the following symptoms – fever, sore throat, dry cough, runny nose or shortness of breath. This applies to those with even the mildest of symptoms.
- Any person who, in the last 14 days, has returned from overseas, been unwell, or had close contact with a known or suspected case of COVID-19 will be asked to leave the site.
- All attendees should wear a mask (if it remains a government requirement) and must provide their own masks. Currently mask wearing is required only when inside a building. This includes the toilets.

2. Zone bubbles

To comply with Victorian Government requirements, the trial rings are divided into two Zones as follows:

Zone 1 – the Master/ Excellent/Advanced rings adjacent to the GSDCV rooms; and

Zone 2 – the Novice -1 ring adjacent to the Canine Museum and Library.

A separate Novice -2 class has been created to cater for handlers who have multiple entries in Rally Novice plus any other class. Novice -2 will be judged in the Master ring after completion of the Master class. Hence, all dogs belonging to each handler will be judged within the same zone and competitors should not enter the other zone.

3. Arrival and Check In

- When you arrive at KCC Park please park adjacent to the ring(s) in which you will be competing.
- There will be a single check in table as shown on the ring plan. Cones spaced 2 m. apart will be used as a guide to physical distancing in the check in queue.
- After checking in, please return to your car or gazebo and wait in that vicinity until called to a ring.

A record will be kept of the name, mobile phone number and arrival time of every person in attendance for contact tracing purposes. For competitors, these records will be based on a list of attendees generated by the online entry system.

Any additional attendees will be encouraged to provide their details using a QR code facility.

- Handlers must use hand sanitiser at check-in.
- Volunteers must use their own pens or clean pens before and after use.
- **Competitors will provide their own exhibit numbers. Numbers will be sourced from the catalogue.**
- **An official will observe competitors vetting their own bitches and stamp the relevant exhibit number without touching it with their hands.**
- Social distancing must be observed during vetting with marks or cones on the ground to indicate required distances.

4. Ring set up

Officials and helpers setting up equipment will be a select (recorded) group, required to hand sanitise before touching and setting up equipment and before/after packing away at the end of judging.

5. Catering

- No catering for competitors will be provided.
- Catering for judges and volunteers is regulated by the 1.5m rule that applies to club rooms and will consist of pre-packaged "take away" food.

6. Presentations

Presentations will be at ringside as each class finishes and will be conducted with social distancing. Awards other than qualifying certificates will be cash and sash.

There will be a short delay while results are compiled, and cards printed.

7. Competitors Set Up

- Competitors will be asked to abide by social distancing when setting up their chairs and their equipment. This may mean that chairs must be at least 2m apart on all sides to allow handlers to access crates etc. Family groups may sit together.
- Gazebos are permitted but must be 1.5m apart on all sides and not shared by any persons except members of the same family or household.

8. Ring Etiquette

- Handlers cannot borrow a pen from the steward or judge.
- Only the judge should touch the judge's clip board.
- Handlers cannot touch the steward's clip board.
- A 1.5m zone will be set up on the outside of each ring to ensure distancing from the entrances/exits.

9. Toilets

Signage on external doors will indicate the maximum number of people allowed in the toilet facilities at any time.

10. Parking

All attendees are advised that social distancing should be maintained in the parking area.

11. COVID Safe Marshals

Suitably trained officials will be designated to oversee all activities to maintain compliance and ensure the safety of all attendees.
