## Bacchus Marsh Scout Group

Scouting is a worldwide movement of over 47 million members that has shaped the development of youth and adults for over 100 years.

Scouts are in every part of our community, including here in Bacchus Marsh, and Scouts is the biggest and most successful youth leadership organisation in Australia. More than 23,000 boys, girls, and adults in Victoria from wide cultural or religious background including those with an intellectual or physical disability enjoy an unlimited range of activities. The Scouting program has specific objectives, commonly referred to as the "Aims of Scouting." They are character development, leadership development, citizenship training, and personal fitness. Leadership development is one of Scouting's eight methods contributing to both good character and good citizenship.

By supporting us at this event you are helping the future of scouting here in Bacchus Marsh and assisting in allowing our members to discover many exciting opportunities and helping them grow as independent, helpful individuals and to encourage the physical, intellectual, emotional, social, and spiritual development of young people so they may play a constructive role in society as responsible citizens and as members of their local and international communities.
