NFC

Stephen Pearson and Brian Feilder have both agreed to offer NFC in their rings.
See rules below.

The trial precinct layout

Rings are in **red**, Gazebo areas in **Yellow**, Entry/exit in **Orange**.
Scale is an approximate estimation only.

For QR check in please enter via entry/exit gate.

NOTE : for all competitors to read - for Competition and NFC

1. The handler may walk the course and then decide if they want to run NFC instead of competition. The handler **MUST** notify the assembly steward they are running NFC before the ring starts.
2. When a NFC handler enters the ring, they must clearly indicate to the judge by using a T signal time-out (tips of fingers of one hand touching the palm of the other hand) or by making an X with their arms that it is a NFC run. The judge will confirm the signal back to the handler and scribe.
3. The course **MUST** still be run as numbered by the judge but the handler may stop and reward as necessary (refer rule 7 for acceptable rewards). If the dog has performed an obstacle incorrectly or not to your liking you may go back and repeat that obstacle safely. Failure to run as numbered (ie. making up your own course) will have you dismissed from the ring.
4. Dogs to be run as catalogued.
5. The judge and ring stewards will still perform their normal duties during NFC runs. No time or faults will be recorded. The scribe will enter DQ on the score sheet.
6. NFC runs can only be run at the height and class as nominated on the entry form.
7. NFC runs will allow handlers to use non-audible toys in the ring but the toy must not be dropped or leave the handlers person. No food or toys containing food are to be used in the ring.
8. A competitor running NFC will only be given time in the ring up to the Standard Course Time (SCT). Timing for NFC will start when the dog negotiates the first obstacle or if the handler triggers the electronic timing gate (within reason). In the case of manual timing, the time will start when the first part of the dog's body crosses the plane of the first obstacle.
9. The scribe or Judge is to indicate to the handler that their time is finished at the end of the SCT for a NFC run. At the end of the SCT the handler should promptly remove their dog from the ring. Failure to quickly exit the ring at SCT may result in the judge dismissing the competitor.

10.A judge can at any time ask you to leave if they feel the training/performance being done in their ring is dangerous.
