Statement of Risk

Safety Procedures for Tracking Trials

- 1) Trials are held over undulating and hazardous terrain, it is suggested that sturdy footwear and clothing to be worn to reduce the possibility of scratches or injury. As with all outdoor activities it is suggested competitors and spectators have appropriate clothing for the weather and take due care when moving around the trial site and training area.
- 2) The environment, animals and wildlife can be inhospitable. Be alert and avoid any inhospitable animals and wildlife where possible.
- 3) Trials may take place near water. If you cannot swim take care around the water. If you have children in your custody it is your responsibility to ensure the safety and welfare of the children at all times.
- 4) We are privileged to be allowed onto Parks Victoria land as well as being invited on to properties to run our trials and must respect this. You must therefore:
 - a) remove all rubbish from park and/or property.
 - b) do not enter any dwelling on the property.
 - c) do not touch any farm equipment on the property.
 - d) ensure dogs to be kept under control at all times especially around any livestock.
 - e) all gates must be left as they are found when entering a paddock.
- 5) The first aid boxes are sometimes carried by the judge but one is always available back at the base, of any trial. If emergency first aid is required contact base, and the appropriate steps will be taken.
