**Looking for that addition to help boost the effectiveness of your training?
Look no further than Blackdog wear!**

The club provides a range of Black Dog products to assist with training. When purchasing through the club you receive the items at a better price than purchasing direct, as well as the club receiving some funds.

Black Dog Wear design and make equipment for Positive Reward Training and go to great lengths to ensure that everything is heavily tested, under all sorts of conditions, by dogs and trainers, before anything goes on sale.

Quality Guarantee is simple - they'll replace a Black Dog product if any of the workmanship or components fail within the first 6 months of normal use. Black Dog Wear don't consider an item which has been chewed as a guarantee issue, chewing is a training issue and not something Black Dog has any control over.

TREAT POUCH - For holding food treats while training. The Spring Mouth Opening makes it easy to get your dog's favourite rewards quickly and easily, yet the pouch springs closed with the touch of a finger - to keep treats secure while you are moving around.

Wide range of collars

Standard Collar- for every day use

Training – offer effective training without the harshness and pain of a choker chain

Limited Slip Collar - designed to tighten if a dog pulls on the lead making it difficult for a dog to slip its collar

Agility collars -

Bred specific collars Italian greyhound , whippet, sight hound

Neck Size 35-55cm
(14 inches width)

SMART LEAD - A quality lead for everyday use, with the added advantage of being length adjustable and enabling you to securely tether your dog to a tree or pole without unclipping the lead from your dog, or tying

PLAIN LEAD - is for those trainers wanting a high quality basic lead of a slightly longer length. Lengths available 1m & 1.8m

RALLY LEAD - Designed for Rally Competition, but equally useful as a longer walking lead, 2m

BRACE LEAD - The lead is made from one piece of webbing, knotted around a metal swivel connector at the top - this enables the knot to be loosened and the arms to be adjusted, one shorter, the other longer. It's very handy if you walk 2 dogs of different sizes.

Double Ended Lead - An extremely versatile lead design, it is length adjustable, can also be used as a temporary tether or to connect from a harness to collar etc.

Just a few products with much more available. Please see Natalie or Nicole at 'THE DOG SHOP.'

FROM THE TRIAL SECRETARY:

On behalf of the E.G.D.O.C, its Committee and members, I wish to thank all competitors for participating in our Agility and Jumping Trial.

This trial is one of the club's biggest fundraising events and contributes funds towards the many dog activities and training programs provided by the club, including Obedience, Agility, Rally-O, Therapy Dogs and Puppy Pre-School.

We could not run the trial without the considerable support of not just the Committee, but our Club members and the volunteers from outside of the club who have given up their time and provided assistance over the weekend. I thank you all for helping run a magnificent trial.

Thank you especially to Terry Coles and Alex Hill for their assistance with entry management; to Pat Brewer for her invaluable knowledge, assistance and patience in dealing with my never-ending questions; to Nicole for organizing the Catering and providing a delicious lunch for our judges and numerous others.

Also thank you to the Lions Club for again providing catering for our competitors.

Thank you also to our Sponsors - Nutrience, Sale Turf Club and Sale & District Greyhound Club.

With over 700 entries for the weekend, it is certainly going to be a busy weekend. Being a small club anyone who could provide assistance with course changes or general help around the rings would be appreciated.

Good Luck to all competitors – We look forward to handing out many pass cards.

Janet
