It is expected Winged Jumps WILL be in use at this Trial as they will be part of the K9 Agility Club equipment trailer being hired for 2 of the rings. It remains the discretion of the Trial Secretary and the Judges which classes will use some of these jumps and this will not be known till the day. It is not likely any

class will be entirely set up with Winged Jumps, as the majority of Jumps for the event will be regular non-winged type.

Rubber Contacts & Timing Gates will be in use in all rings at this trial
