K9 Agility Club welcomes you to the 2 Day November Trial.
We would like to thank the many people who work so hard to make this trial a success. As trial secretary, I could not do this job without the support of all members of the Committee who happily do any job they are assigned. I would also like to thank Club Members for their time, expertise and food! To the judges who gave up their time and flew from NZ, ring crew, kitchen helpers, pass card printers and volunteers for all jobs, thank you. Without your participation there would be no trial. Finally to the competitors for REALLY supporting this trial!! Good luck to you all! Please make sure you read the information about multiple entries below – it will help this monster trial run as smoothly as possible.

Sash: 1st to 3rd places Qualifying round only.
Sash for Fastest Round of Agility and Jumping overall in each height.

QUALIFYING PASSES

Every effort has been made to ensure that competitor and dog information is correct, but if any details in this catalogue are incorrect please notify Kirst Nicholls as soon as possible prior to printing of pass cards

PRECINCTS OF TRIAL

The precinct of the Trial is the entire competition grassed area (Exhibition Area 2 at KCC Park),

surrounding car parks and surrounding exercise areas.

MULTIPLE ENTRIES

It is your responsibility to be at the ring when required. Please notify your ring stewards that you are in another ring.

Also note that dog numbers for the catalogue were allocated via a random automated process. Whilst checks have been made to reduce the instances of handlers running their dogs close to one another, it is impossible to check every class and every height that your dogs are entered in. Therefore in the event that you are catalogued to run close, please notify your steward accordingly.

THE STATS THAT MATTER!

1500 Entries (100 more than last year)
200 dogs

LUNCH BREAK

We are taking a lunch break between 12-12.30 so everyone can have a rest. The classes will stop during this time unless the judge only has a few more dogs to run to complete the class. This will be at the discretion of the judge on the day.

PRESENTATIONS

We will be having presentations at the completion of each day due to having some amazing judges flying over from NZ. This will be done once all rings have been completed and packed down and everyone who has packed up is present in the room.

SPLIT WALKINGS

The classes marked with **(SW)** will have split walking's due to large entry sizes or potential clash with another class at the same level.

Please note you may be in different split walking's as they are split based on numbers not on any particular person so please make sure you are aware of what walk you are in for every class!!! If there is an issue you need to discuss this with the ring marshal 😊

The Judge and the Trial Secretary reserve the right to vary this at any time if required. If there is a change that takes place we will endeavor to ensure all competitors are told ahead of time and every effort will be made to accommodate everyone.

Whilst other classes also have large entries, these classes are scheduled first therefore there should be plenty of time to walk them.

RING FLAGS

We have decided to adopt a new visual system of ring flags to help competitors keep track of their rings they are competing in. These flags will be attached to the scribe's tents and easy to identify what class is running in the ring. Please see below the colors of the flags and the classes they represent. There will be 2 flags up at one time 1 will have the level of the class and 1 will have if it is changing or walking. If there are any questions please don't hesitate to ask.

NOT FOR COMPETITION RULES

NOTE : FOR ALL COMPETITORS TO READ – FOR COMPETITION AND NFC

- 1. The handler may walk the course and then decide if they want a NFC run or a competition run. They MUST notify the assembly steward if they want to complete a NFC run before the end of the walk/ first dog running.**
- 2. When the handler has chosen to change to a NFC run when entering the ring, it is the handlers responsibility to clearly indicate to the judge both verbally and by using a T signal time-out (tips of fingers of one hand touching the palm of the other hand) with their hands that it is a NFC run. The judge will confirm the signal back to the handler and scribe. No time will be recorded for NFC runs. The scribe will enter DQ against the dogs number on the score sheet.**
- 3. The course MUST still be run as numbered by the judge but can stop and reward as necessary. If the dog has performed an obstacle incorrectly or not to your liking you may go back and repeat that obstacle. Failure to run as numbered ie. making up your own course will have you dismissed from the ring.**
- 4. The handler may not enter the ring for a competition run and then once in the ring change their mind and swap to NFC and Vice Versa. That decision must be clearly indicated to the judge before they start their round and/or undertake any training in the ring.**
- 5. Dogs to be run as catalogued.**
- 6. The judge and ring stewards shall still perform their normal duties, however no time or faults shall be recorded for a NFC entry. The scribe will enter DQ in the K9 entries system**
- 7. A NFC run can only be run at the height and class as nominated on the entry form.**
- 8. NFC runs will allow handlers to use non-audible toys in the ring but the toy must not be dropped or leave the handlers person. No food or toys containing food to be used in the ring. A handler who is running NFC may not use the toy/training aid when entering the ring - the toy/training aid can only be used once the judge has confirmed the run is NFC, otherwise the handler may be dismissed.**
- 9. A competitor running NFC will only be given time in the ring up to the Standard Course Time (SCT). Timing for NFC will start when the dog negotiates the first obstacle or if the handler triggers the electronic timing gate. In the case of manual timing, the time will start when the first part of the dog's body crosses the plane of the first obstacle.**
- 10. The scribe/ timekeeper is to indicate to the handler that their time is finished at the end of the SCT for a NFC run. At the end of the SCT the handler should promptly remove their dog from the ring. Failure to quickly exit the ring at SCT may result in the judge dismissing the competitor. Repeated dismissals will be reported to committee.**
