From the Trial Secretary:

Welcome! Welcome! We made it!!

Despite COVID reg changes and everything the universe has thrown at us, we've made it!

On a personal note, I've been a member of this club for about 15 years and each year the committee grows stronger and more fun to either help, or be a part of. This trial would not have been possible without such an awesome team who just take the jobs that need doing and make them their own and get stuff done. They're really a great bunch of humans. My job doesn't allow me to get stuff done on short notice so without Katie, we simply wouldn't be here. Thanks so much to all of you AND to Kirst who, despite dealing with some pretty huge stuff in the last few weeks, not the least of it making a very tiny human, has been on messages daily just to be sure I'm ok. GOLD! You're all GOLD!

Agility in Vic, from the running perspective, would also not be even close to what it is without our beloved Yoda, Lynne Padfield. Thanks a MILLION for the chats, questions, thoughts and help in the office today & leading up to the trial. Thanks a Billion to Jacey Singh and her incredible catalogue talents. The catalogue looks amazing and the run splits have taken a degree in spliter-olog-y to get it right, but you did a great job. Both Lynne & Jacey your blood's worth bottling!

MORE thanks our 4 Judges who moved heaven and earth to help out in a pinch, get courses ready quick smart and be organized and ready for today. Thanks so much for your understanding and professionalism. To our stewards who know what they're doing and are prepared to a fault... Thanks heaps!

Sue Brimma, for COVID Marshall, Darren Brimma for technical support and hardware rental, Paul Ward for VCA rep and entertaining comments, Sharon, Stephen and Zillah for being our COVID cleaners, Cathy the Kitchen Queen and Cassie, the rounder-upper-extraordinaire - THANK-YOU ALL

Thanks to Zillah Hall (The Quilted Monkey) for the lovely prizes for fastest in trial for each class.

Many thanks too to Alison Muddle for a mind-blowing amount of work which makes life for trial secretaries infinitely easier and to Terry Coles for your site where absolutely all the info on agility in Vic lives in one, very helpful place!

To the Members of K9 Agility club who've all stepped up to help, assigned themselves to rings to assist and been, basically your usual awesome selves when trials come around, thanks heaps to you guys and gals, this certainly is a great club to be a part of thanks to you guys!

This trial is brilliantly busy at the novice end of the world. PLEASE be aware, with COVID and the novice numbers, there are a lot of newbies out there so keep that in mind when you're assembling, walking your own dog or helping with the day. We have all been at that end of trialing, so let's all welcome them and help them out if needed. ☺ And of course, let's enjoy the fact that our sport has so many exciting up and comers!

May all you competitors – Thank-You for your entries; have a wonderfully successful day, we have a TONNE of pass cards so let's use them! I wish each and every one of you amazing success today!

May the courses be flowing, the bars stay up and all the dogs listening ears be on!

-Sarah-

PRECINCTS OF TRIAL

The precinct of the Trial is the entire competition grassed area (Exhibition Area 2 at KCC Park), surrounding car parks and surrounding exercise areas.

MULTIPLE ENTRIES

It is your responsibility to be at the ring when required. Please notify your ring stewards that you are in another ring.

Also note that dog numbers for the catalogue were allocated via a random automated process. Whilst checks have been made to reduce the instances of handlers running their dogs close to one another, it is impossible to check every class and every height that your dogs are entered in. Therefore in the event that you are catalogued to run close, please notify your steward accordingly.

PRESENTATIONS

We will be having presentations at the completion of the trial. This will be done once all rings have been completed and packed away and everyone who has packed up is present in the room. Presentations will be held outside in covid safe settings.

COVID Safety Guidelines

Please take the time to carefully read the COVIDSAFE Guidelines published with the catalogue, it will also outline your lead handling options, so you are fully aware of protocols.

Please make sure we practice safe social distancing even when walking courses and always have your mask on you at all times.

IMPORTANT NOTICE

There are split walks for nearly all classes to keep in line with social distancing rules – Please be prompt for your walk and leave as soon as requested.

Masks must be worn when walking courses.

8.30am there will be a quick trial briefing before the trial kicks off, so be there in front of the rings and make sure you practice social distancing.

CLASHES – Competitors must advise the assembly steward of any potential clashes. (If you do not advise the ring will not wait and you will forfeit your run)

RING LOCK-IN ZONE – The assembly steward will have 3 competitors locked in at all times.

A friendly reminder that **RING RUNNING**
takes precedence over **RING WALKING**

The Judge and the Trial Secretary reserve the right to vary this at any time if required. If there are changes we will endeavor to ensure all competitors are told ahead of time and every effort will be made to accommodate everyone.

NOT FOR COMPETITION (NFC) RULES

NOTE : for all competitors to read – for Competition and NFC

1. The handler may walk the course and then decide if they want to run NFC instead of competition. The handler MUST notify the assembly steward they are running NFC before the ring starts.
2. When a NFC handler enters the ring, they must clearly indicate to the judge both verbally and by using a T signal time-out (tips of fingers of one hand touching the palm of the other hand) or by making an X with their arms that it is a NFC run. The judge will confirm the signal back to the handler and scribe.
3. The course MUST still be run as numbered by the judge but can the handler may stop and reward as necessary (refer rule 7 for acceptable rewards). If the dog has performed an obstacle incorrectly or not to your liking you may go back and repeat that obstacle safely. Failure to run as numbered (ie. making up your own course) will have you dismissed from the ring.
4. Dogs to be run as catalogued.
5. The judge and ring stewards will still perform their normal duties during NFC runs. No time or faults will be recorded. The scribe will enter DQ on the score sheet.
6. NFC runs can only be run at the height and class as nominated on the entry form.
7. NFC runs will allow handlers to use non-audible toys in the ring but the toy must not be dropped or leave the handlers person. No food or toys containing food are to be used in the ring. A handler who is running NFC may not use the toy/training aid when entering the ring – the toy/training aid can only be used once the judge has acknowledged the run is NFC, otherwise the handler may be dismissed.
8. A competitor running NFC will only be given time in the ring up to the Standard Course Time (SCT). Timing for NFC will start when the dog negotiates the first obstacle or if the handler triggers the electronic timing gate. In the case of manual timing, the time will start when the first part of the dog's body crosses the plane of the first obstacle.
9. The scribe/ timekeeper is to indicate to the handler that their time is finished at the end of the SCT for a NFC run. At the end of the SCT the handler should promptly remove their dog from the ring. Failure to quickly exit the ring at SCT may result in the judge dismissing the competitor. Repeated dismissals will be reported to committee.
10. A judge can at any time ask you to leave if they feel the training/performance being done in their ring is dangerous.
