## REMINDER TO COMPETITORS

### Multiple entries

It is your responsibility to be at the ring when required. If you have a clash, please notify the ring stewards at both rings well in advance.

### Catalogue details

Every effort has been made to transfer entry information to the catalogue. Please check that all details are correct and notify the Trial Secretary of any errors so these can be amended prior to printing of pass cards.

The running order has been selected with two aspects in mind. Foremost has been to avoid obvious clashes. But effort has also been made to balance the orders the different heights run at, so the little dogs and the big dogs aren't always running first or last. This means that often the events have an unusual sequence of heights so competitors should check carefully.

### Promptness & punctuality

To enable the trial to run smoothly we ask for your cooperation in entering and leaving the ring promptly and being ready when you are called.

### Split walks

To reduce congestion during Master event ring walks, all but the first Master event in the morning and afternoon will have split walks between 500 and non 500 heights. Please observe and stick to your height categories ring walk.

## **THANK YOU**

The Knox Obedience Dog Club would like to thank Judges, Stewards and all those who have assisted with this trial. Your dedication of time, effort and expense is greatly appreciated.

**We hope everyone has fun, with the added bonus of some success along the way!**
