From the Trial Secretary

Welcome to the Dogs Victoria 2014 State Agility, Jumping and Games Trial and good luck to all competitors, especially those competing in Top Agility Dog and Top Jumping Dog.

We are here today thanks to your entries but also the hard and often thankless tasks performed by a band of dedicated people. It is getting harder for all clubs to hold such events as club members either want to concentrate on competing, already donate much time to the club and can't afford more time away from their other life or just hope someone else will do the work. When it comes to the State trial, it is even harder as there is not a "club" to call on volunteers. Therefore a call has to go out to the whole agility community to assist. As is often the case, there are those who put their hand up (or it is put up for them) and take on many tasks, others who offer where they can but the reality is, it always falls to a few.

This is no different this year, with a small but dedicated group of "volunteers" who put in many hours of their own time to ensure that we can hold one of the premier events on the agility calendar. People travel from all over the state and put in extra training to showcase the efforts of them and their teammate. Because that is what agility is all about: teamwork. The ultimate example of this is evident in the main event of the day, Top Agility Dog and Top Jumping dog. Teamwork applies not only to dog and handler but to everyone who is involved in ensuring the event is a success.

Mindful of missing particular individuals, I would like to thank everyone who has helped in some way but I would especially like to thank those listed below as many are not even competing in the sport, but helping to ensure that those of us who do have this opportunity.

- **Agility Committee** – a small group who performed many roles required to ensure the success of this event.
- **Catalogue Collator** – with over 900 entries, the task of ensuring information received is correct and then putting it into a readable format, otherwise known as the catalogue we have the very efficient services of Nikki Janetzki. I am personally very grateful for the many hours Nikki has spent doing the catalogue and related paperwork as it means I didn't have to do it.
- **Catering Queen** – again one of those tasks that often keeps the person from the action but thankfully for us, Kelly Fletcher is happy to ensure all of our helpers are given ample nutrition with an array of food (which is mostly donated by generous competitors)
- **Judges** - spend time preparing challenging courses prior, then standing out in the elements all day
- **Office Assistants** – if the day is successful for competitors, this makes this job a massive one, as Kirsten and Helena work hard to print out all the pass cards. I am sure we are all a bit selfish and hope that we contribute to their workload by achieving a pass card to two.
- **Sponsors** – without the support either by product or cash, we would struggle to hold this event in its current format.
- **Stewards** – again out in the elements all day and often dealing with stressed competitors.
- **Top Dog top dog** – Terry Coles for all the work he does including calculating the results of the two State champions.
- **Trial Manager** – one of the jobs that no one really wants especially if you want to compete as the two are not possible at the one event. We are extremely lucky to have the skills, patience and expertise of Clive Makepeace this year who like a conductor, attempts to have everyone in time with each other and enable us to finish with a big bang. Assisting Clive around the grounds are David and Cassie.
- **VCA Rep** – we gratefully thank Lea Cogley for giving up her day to be one of our officials on the day, hopefully she will not be required for much more than that.

Enjoy the day and see you at presentations.

Qualifying Passes

Every effort has been made to ensure that competitor and dog information is correct, but if any details in this catalogue are incorrect please notify Nikki Janetzki prior to Saturday. Or one of the office assistants (Helena or Kirsten) on the morning of the trial.

Notifying Stewards of Clashes

At any trial you can expect to encounter clashes of rings. Please ensure you notify your stewards when this is the case and be aware that we will have the '3 dogs locked in' system in operation at all rings to ensure that the rings are kept moving. Stewards can accommodate slotting you in out of order however it will only be after the '3 dogs locked in'.

Also note that dog numbers for the catalogue were allocated via an automated process. Whilst checks have been made to reduce the instances of handlers running their dogs close to one another, it is impossible to check every class and every height that your dogs are entered in. Therefore in the event that you are catalogued to run close, please notify your steward accordingly.

Aussie Agility are very pleased to be able to supply:

Back on Track Coats – Mesh & Quilted

Every dog can benefit from the natural heat therapy this rug provides. The ceramic creates a soothing far infrared thermal heat. This increases blood circulation and reduces inflammation, eliminating your dog's aches and pains so he remains comfortable and active.

Terracotta Bowls

Our hand thrown and painted bowls are made by Aussie Agility here in Melbourne. All shapes and sizes - suitable as eating or drinking bowls. There are some even for the cat!

Terracotta has a lovely rich colour so looks great anywhere, but it's best quality is that it keeps water extremely cool, so great for those hot days. We have a few made up already, but can also personalise these with your pets name or for a special event.

Aussie Agility Collar & Leads

Personalised and great for agility! These all in one Collar & Leads are made from polar fleece so great for tugging. The collar section is nice and soft on the dogs neck, and slips easily over the head for getting on and off quickly. And best of all we can personalise them with: your dogs name; to mark a special event; or even a title eg 'Ag Ch 500 Boo Boo'.

These are custom made to fit your dog, so orders are essential. Lots of colours available - see our website for details. Standard designs (as shown) are \$35.
