# From the Trial Secretary

Welcome to the Dogs Victoria 2015 State Agility and Jumping Trial and good luck to all competitors, especially those competing in Top Agility Dog and Top Jumping Dog. As my first go at Trial Secretary, I'm hoping all goes well today, that the weather is kind and that many pass cards are handed out.

This year sees some changes and the removal of the Games from the State trial. It was not a decision taken lightly, but rather one of necessity with the day becoming so large. Never fear Games is still a high priority and a date is set for a Games trial in December, which we hope is well supported.

Top Dog Competition also sees changes this year with some brand new faces appearing along with old favourites. Congratulations to all who made it into the finals and well done to the emergencies for coming so far. You are the pinnacle of the sport in our State and set the bar high. Its fantastic to see consistent teams year in and year out, but it's really exciting this year to see new participants in the finals. While I don't want to take away from anyone else's journey, I feel a special mention should be made of the youngest ever handler to be part of Top Dog. To make the top 10 in Jumping and be an emergency in agility is a great achievement and to do so at such a young age is just fantastic. So huge congratulations goes to Maddy Fletcher.

Thanks go to those who have put their hands up and volunteered to help make this day happen. As a State trial, there is no 'club' to call on and rally troupes from, so the call goes out to all, it was wonderful to see new people stepping up and putting up their hands and helping out. I ask that throughout the day, people get in and help with course changes and bar setting, please don't leave it all to the same people or the hard working stewards giving up their day for you. We need all hands on deck to help keep the day moving, we have over 800 entries, as well as the Top Dog competition, so we really need to keep things moving. At this I will stress, where possible we have done our best to minimise clashes, but it is up to you the competitor to ensure the stewards know of ring clashes. All of this we expect to be achieved in a polite and co-operative way as well, stewards are giving up their day for you, so allow yourself time to tell of clashes and be aware of where you are meant to be.

While I'm grateful for each and every bit of help, Lynne Padfield was an awesome source of hints, tips and knowledge. There are a few people today that warrant special mention:

- **Catalogue Collator** – with over 800 entries, this is a huge amount of work. The catalogue and competitor numbers, running sheets, all prepared by the very efficient services of Nikki Janetzki.
- **Judges** - spend their time preparing challenging courses, then standing out in the elements all day.
- **Office Assistants** – Helena is hopefully busy in the office printing bucket loads of pass cards. Thanks also to Anita, who is stewarding in the morning and then spending the afternoon helping in the office print more pass cards.
- **Sponsors** – without the support either by product or cash, we would struggle to hold this event in its current format. Please ensure you reciprocate that support to our sponsors wherever possible.
- **Stewards** – again out in the elements all day and often dealing with stressed competitors.
- **Top Dog Competition** – Terry Coles for all the work he does including calculating the results for the Top Dog competitors and working out the State Champions.
- **Trial Manager** – I'm extremely grateful to Stephen for his quiet and efficient way of just getting on with the job. I'm sure today will run smoothly as he miraculously just appears to be everywhere at once getting in and getting it done. He's an absolute gem and does so much for the agility community and I'd be lost without him here today making all the cogs turn like a well-oiled machine.
- **VCA Rep** – we gratefully thank Trevor Moore for giving up his day to be one of our officials. Hoping he just gets to spend the day watching and socialising.
- Thank you also to all the wonderful people who have volunteered to bring food for all our hungry helpers 😊

Enjoy the day and see you at presentations.

**Tracey Taylor - Trial Secretary**

### **The Stats that Matter!**

126 handlers

189 dogs

Average of 1.5 dogs per handler

31 different flavoured dogs (if we call Associates just 1 flavour).

57 Borders, 45 Associates, 22 Aussies, 7 Shelties, 7 Koolies, 6 Labradors, 5 Mini Poodles & 40 the rest.

117 Bitches, 72 Dogs – hmmm what does this say about the boys???

6 x 200, 21 x 300, 22 x 400, 120 x 500, 20 x 600.

838 Entries.

### **Precincts of the Trial**

Is the entire front lawn area surrounded by the road-way.

### **Qualifying Passes**

Every effort has been made to ensure that competitor and dog information is correct, but if any details in this catalogue are incorrect please notify Nikki Janetzki prior to Saturday. Or Helena our Office Assistant on the morning of the trial.

### **Notifying Stewards of Clashes**

At any trial you can expect to encounter clashes of rings. Please ensure you notify your stewards when this is the case and be aware that we will have the '3 dogs locked in' system in operation at all rings to ensure that the rings are kept moving. Stewards can accommodate slotting you in out of order however it will only be after the '3 dogs locked in'.

Also note that dog numbers for the catalogue were allocated via an automated process. Whilst checks have been made to reduce the instances of handlers running their dogs close to one another, it is impossible to check every class and every height that your dogs are entered in. Therefore in the event that you are catalogued to run close, please notify your steward accordingly.

### **Split Walkings & Run**

Some classes are too large to walk as one group and therefore are allocated into 2 walkings that may be split across the 500 height category to ensure even numbers in each group. Please ensure you only walk in the Group you are allocated to. . Group 1 will walk and then run, followed by Group 2 who will walk and then run.
