Not For Competition (NFC) Available in all rings

This is an opportunity to help build our dogs confidence and joy for ring experience in a trial environment, under the normal control of a Judge. You will need to clearly indicate to the judge you are running under NFC when you enter the ring by using 2 arms in the air making an X. No pass can be obtained with dogs running as NFC, you cannot also enter that class for a competitive run. No food allowed in the ring, if toys are used, they must be small, noiseless and not leave the handler's body.

The course must be run in numerical order as designed by the judge.

PLEASE NOTE: Each NFC run will have a maximum time of the SCT in the ring if the Judge asks you to leave ring you MUST do so immediately.

There will be no catering available.

DEFIBRUALTIOR HeartSine PAD500 AED

Bare Bones Trial: K9 Agility Club are running this trial as a Barebones trial to help raise money to purchase a Deliberator Machine. This will be kept on the K9 trailer at Kcc Park. K9 Trailer is there to be hired by any club running a trial at Kcc Park. It comes with 2 full sets of amazing equipment and now comes with a Defibrillator machine. The Defibrillator machine is sorted in a solid case that is easily transported so upon requests it can be taken to trials that might not have one available.

If you wish to donate extra there will be an option on K9 Entries when entering the trial.
