From the Trial Secretary

Welcome everyone to the K9 Agility Clubs first Trick Dog Trial. I would like to thank the K9 Agility committee and members for embracing tricks and seeing it as an extension of many things we teach in agility. Plus, it's so much FUN 😊

A huge thank you to Sarah Trembath for organising classes over the last couple of weeks together with the help of Melissa Craft, Amanda Crombie, Sharon Patton & Rachael James.

We have a big day ahead of us, but we want you to all have fun with your dogs and really enjoy the day.

Thank you to our judges Sarah, Rochelle, Janette and Lydia who I'm sure at the end of the day will be glad to put their feet up. But it's going to be filled with some fabulous handlers and dogs. To our Scribes, Stewards and helpers who will make this day run smoothly – thank you it is very much appreciated!

Thanks also to our VCA Rep Claire Stipic for agreeing to join in the fun for the day.

We have been fortunate in obtaining prizes from 2 businesses so please support them over the year by purchasing their products. Thank you, Rachael James for obtaining KONG products for us and Aussie Paws Nutrition (that would be me) for the ZiwiPeak dog food.

Please can everyone pitch in at the end of the day packing up the rings, tables and chairs. This ensures everyone gets to presentations quicker and we all get to go home faster.

Our scribes will be using K9 Entries to enter the results live therefore you can see your overall and individual scores online. Just go to Competitions/Shows > Competition Listing > Filter on VIC. Then scroll down until you see the Live Results button next to the K9 Agility Trick Dog Tests. You can also take a photo of the handwritten Scoresheet by asking the scribe.

K9 Entries is also a great way to track the progress of rings.

Wishing you all a fabulous day and I hope we can top it off by presenting you with some pass cards - YAY!

Nikki Janetzki

Precincts of the Trial

Is half of the Boxhall Pavilion - closest to the large off leash areas.

Getting into the Rings

As we have a large entry we will need to have dogs and handlers ready to go into the rings without delay. Therefore, we will have in place Cones for each ring where you will be directed to wait with your dog, equipment, and Buddy.

Starters & Novice (2 Cones) - Assembly Steward will direct you to Cone B. When competitor at Cone A moves into the ring you will move to Cone A. Scribe will direct you into the Ring from Cone A. Buddy will move to Exit side.

Intermediate & Advanced (1 Cones) - Assembly Steward will direct you to Cone A. Scribe will direct you into the Ring from Cone A. Buddy will move to Exit side.

Don't move from your Cone – otherwise the Assembly Steward will assign someone else to it and you will have to be redirected by the Assembly Steward.

Assemble equipment while you wait – if you have anything that needs assembly such as a fold out jump or clip together set box do this while you are waiting at your Cone. Don't wait until you are in the ring.

Buddy Up – Make a Friend

Getting your equipment in and out of the ring quickly is essential to the day not dragging into night. So, your Buddy is essential in this process.

What does your Buddy do? We think the best process is that your Buddy holds your dog whilst you set up your equipment. After all, you know where everything needs to go. After your turn in the ring, you should retrieve your treats/toy from the table and exit the ring to reward your dog. Your Buddy's job will be to retrieve any handheld items from the table and any equipment in the ring. Smooth sailing right? :D

EVERYONE needs to have a Buddy 😊 – so make new friends and help each other out.

Crates and Show Trolleys

Dogs can be indoors provided they use their inside voices. Crates/trolleys are to be set up near the walls so that there is plenty of space for a walkway before the rubber flooring.

Crates and Show trolleys can't be used near the rings to house dogs whilst they are waiting at the Cones. This takes up too much time and space and will not assist in the flow of the rings. Find yourself a Buddy. Trolleys can be used (any type) to carry equipment to the ring – Buddy to move trolley to the exit end once in the ring to free up Cone A.

Clashes

We have tried to schedule classes to avoid clashes however rings will flow at different rates so this can't always be avoided. Plus, you may have dogs at different levels. You don't need to notify Stewards of clashes. However, you will need to get to the ring before the next class starts otherwise you may be marked as absent. We will be running in catalogue order as close as possible. If you are catalogued to run close to another of your dogs, please notify your steward and they will slot you in somewhere.

Qualifying Passes

Every effort has been made to ensure that the competitor and dog information is correct, but if any details in this catalogue are incorrect, please notify Nikki prior to Sunday.
