NOTES FOR COMPETITORS

There is no shelter in the car park, the forecast is currently looking good, but remember to bring everything you need to keep your dog comfortable.

Please advise if you have mobility issues, there are steps down to the outdoor searches, and a bit of a hill at the exit.

Please pick up after your dogs!

CHECK IN

Advanced: between 8:00 and 8:15am. Vetting will be conducted at the same time.

Novice: estimated 12:00-12:15

Briefings will be held at 8:30 (Advanced) and approximately 12:30 for Novice.

CATALOGUE

Competitor information has been copied from your data in K9entries to the catalogue.

Please check that all details are correct and if not, please fix in K9entries prior to the printing of pass cards, these details MUST be accurate (with registered names, not call names) or your pass cards may be invalid.

We will endeavour to provide Live updates on K9entries throughout the day.

Some entries that were balloted out have been reinstated, and any no shows on the day will result in other teams being reinstated.

Please remain in the car park while waiting for your turn, there will be a marshall at the gate to allow competitors into the club house area (this is also where the canteen is, so non competing dogs will not be permitted in that area).

Another marshall will be stationed in front of the club house to direct you to the appropriate search. The Container and Interior searches will be in the club house, and the Exterior and Vehicle searches will be down in the other parking area.

Please remember that everyone involved with the running of this trial are volunteers, so please treat them with respect and courtesy.

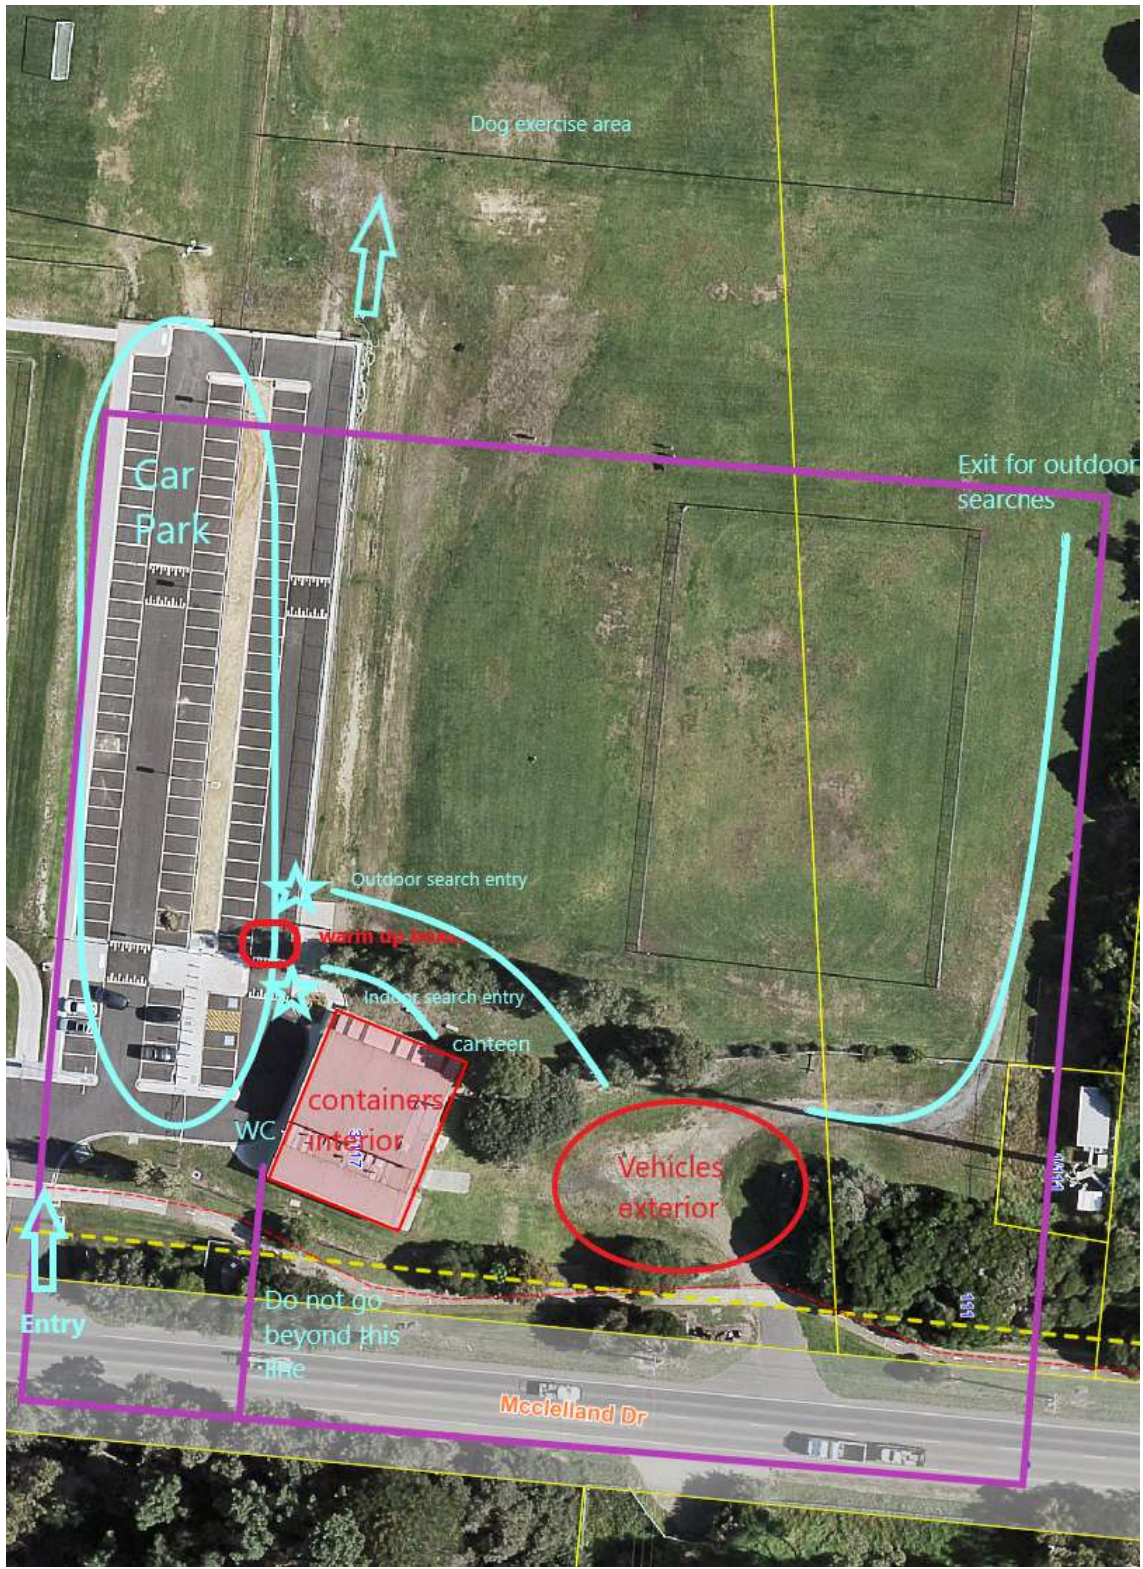

PRESENTATIONS

Presentations will be held on the verandah after the searches are completed and the necessary paperwork and scoring is finalised. Some help with packup would also be appreciated while waiting for the final presentation.

There are sashes and prizes for qualifying 1st to 3rd places.

Qualifying and Title ribbons will also be available.

TRIAL PRECINCTS

The trial precincts are marked in purple, the exit path from the outdoor searches will be up past the first fenced area. Each pair of searches will run back to back. Further instructions will be provided at the briefings.
