COVID Safe Plan

Advice for attendees at the Scent Trial

The trials will be conducted in accordance with Victorian Government requirements current at the time. This document provides details for the conduct of the tracking trials in a COVID safe manner.

General information:

Attendees are encouraged to social distance. Carrying a mask with you, at all times, remains highly recommended. Judges, stewards, and exhibitors do not need to wear masks whilst competing. Of course if you wish to wear a mask please do so it is your preference.

Attendees will be asked to abide by social distancing when setting up their chairs and their equipment. This may mean that chairs should be at least 2m apart on all sides to allow handlers and dogs to move through....etc.

1. Advice to handlers

- Handlers will need to be aware that judges and stewards will be using hand sanitiser etc.
- **People must not attend if they have any of the following symptoms – fever, sore throat, dry cough, runny nose or shortness of breath. This applies to those with even the mildest of symptoms.**
- **Any person who has been unwell, or had close contact with a known or suspected case of COVID-19 will be asked to leave the site.**

Competitors:

- Please remain in the car parking area whilst waiting to have your run. However, do be ready to move to the assembly area when it is your turn, so that we don't waste any unnecessary time. We have stewards available to help you.
- Competitors and visitors must not bring any odours to the trial area.
- Competitors should read and understand the Scent Work Rules, particularly 3.3 and 13.9
- Please remember that all people involved with the organisation, judging and stewarding at this trial are volunteers, and we would ask that you treat them with courtesy.
- Thank you. We hope that you and your dog have an enjoyable day.

5. Toilets

- **When entering the toilets please use hand sanitiser. No loitering in the toilets at all. Toilets will be cleaned by the organisers.**
