Rules

This trial is being held under the Rules and Regulations of Dogs Victoria Inc., copies of which are available for inspection upon request.

Important information

Please respect the trial venue (which includes the surrounding properties) so that we have access again in the future.

Please pick up after your dog at all times. There is ample grassed area to toilet your dog and bins will be provided. Bring your own bags. Please do not allow your dog to urinate on any building, fence or other structure at the venue. There are plenty of trees and bushes.

Absolutely no smoking or vaping on the grounds under any circumstances.

The venue is close to the Princes Freeway. Dogs must be kept on lead at all times (unless in a search area, if the judge allows) to ensure safety.

There will be 'no go' areas to restrict visibility of search areas. Please respect these and observe any signs and marshal directions.

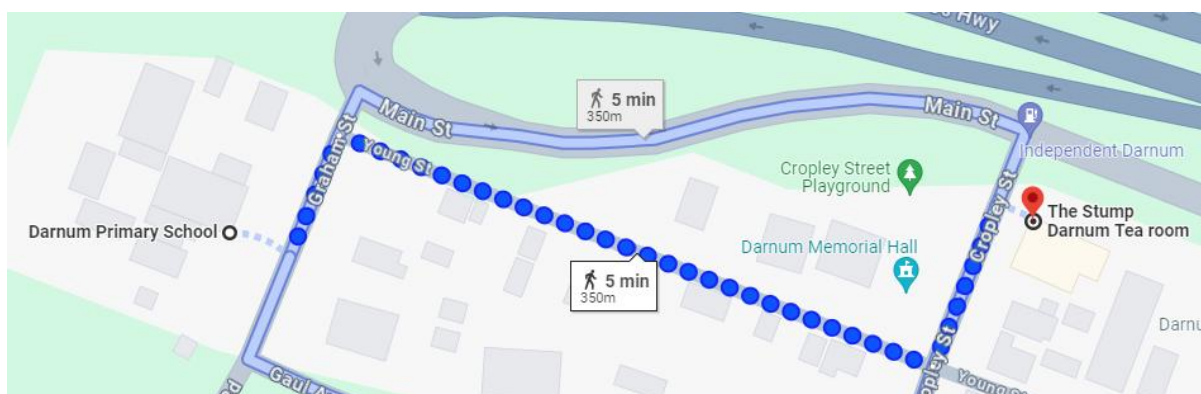

Be reminded that you must NOT discuss your search or any aspects of the search area until the trial has been completed.

Do not bring any odour (birch, anise, clove, cypress) to the venue, and do not undertake any training during the trial. Warm up boxes will be available.

Spectators: unfortunately, limited space within the venue may not allow spectators and this will be at our judges' discretion.

Catering

The Stump Darnum Tea Rooms are located a short (five minute) walk from the trial location. They are open from 7.00am to 5.00pm and serve breakfast, morning tea, lunch and afternoon tea; both eat in and take away. They have been advised of the trial and are prepared for an increase in customers. Please consider supporting this local business for your food needs during the day.

The **caffinator coffee** van will be onsite from 7.30am and will be serving hot drinks and snacks.

Parking

There is ample parking and parking marshals will be on site to assist from 8.00am. Please follow directions and be considerate of your fellow competitors. Please also respect the private properties around the school, do not park on nature strips, or block access to driveways or footpaths. If you have a highly reactive dog, the best parking will be in the main parking area near the trees as there will be less foot traffic. Please speak to the marshals and they will assist with parking you safely.

Disabled parking will be within the school car park or directly out the front of the school.

GOOD LUCK TO EVERYONE & HAPPY SNIFFING!
