Please note: Track and Search Trials need many more helpers due to the numbers of diversion tracklayers, minglers and extra stewards which are required by the rules. We are hoping not to have to ballot, but we will be forced to if we do not have enough helpers. **We request that every competitor provides at least one helper or volunteers themselves for a day they are not tracking.** These helpers do not need to be experienced, as experienced people will direct them. Please do not nominate helpers on the day they are tracking themselves. **Please note the name of your helper on your entry form. Helpers who are available for two or more days are most useful.**

If an excessive entry is received, a ballot will be held at the home of the Trial Secretary, Thursday 26th June 2025 at 8 pm. The committee reserves the right to substitute judges or add to the judging panel should the entry be excessive. "If tracks become available and time permits, a ballot will be held for those who may wish to "Track On" at this trial" **HOWEVER there will be very few track-ons available.**

CLUB POLICY – only 2 dogs can be worked on the one day by one handler, and only 1 track can be laid by the same handler on the same day (this means only 3 dogs involved with any handler per day)
