## **NOTES FOR COMPETITORS**

There is no shelter in the car park, the forecast currently shows possible light rain, so remember to bring everything you need to keep you and your dog/s comfortable. The front part of the car park is reserved for trial officials and helpers.

Please advise if you have mobility issues, there are steps down to the outdoor searches, and a bit of a hill at the exit.

Please pick up after your dogs!

The back fenced area will be open to the public (and you) for off lead walking.

We will be trialling the Live Update function on Top Dog Events, you should see 'Live Updates' as an option when you click on the trial, it will tell you how many dogs have competed and should be equal to the run number of the dog who competed last, you should present to the Gate Marshalls once that number is 2-3 less than your run number.

Please remain in the car park while waiting for your turn, there will be marshalls at the gate to allow competitors into the club house area (this is also where the canteen is, so non competing dogs will not be permitted in that area).

Another marshall will be stationed in front of the canteen to direct people to the outdoor searches. Containers will be inside, and Vehicles will be down in the lower parking area. Please remember that everyone involved with the running of this trial are volunteers, so please treat them with respect and courtesy.

## **PRESENTATIONS**

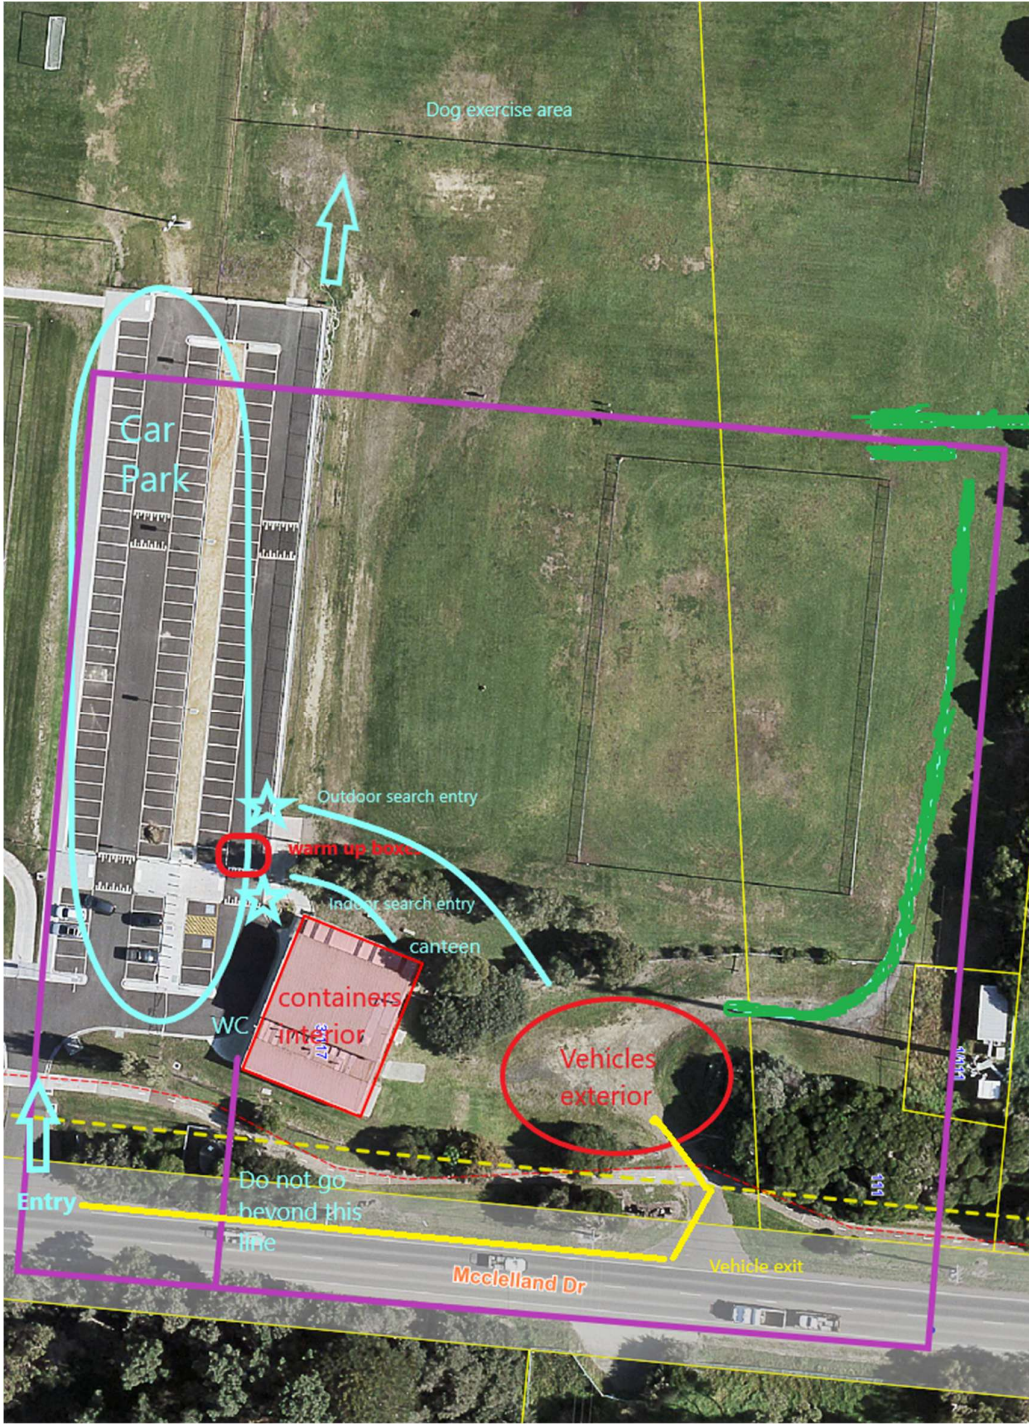

Presentations will be held on the inside after searches are completed and the necessary paperwork and scoring is finalised. Some help with pickup would be most appreciated while waiting.

There are sashes and prizes for qualifying 1<sup>st</sup> to 3<sup>rd</sup> places.

Qualifying and Title ribbons will also be available.

## **Kim's Canteen will be open!**

## TRIAL PRECINCTS

The trial precincts are marked in purple, the exit path from the vehicle search is along the road (footpath). Further instructions will be provided at the briefings. If walking out of the car park to the road, please do not turn left towards the vehicle search area.
