Rules

This trial is being held under the Rules and Regulations of Dogs Australia and Dogs Victoria.

Committee

President: Ross Carlson | Vice President: Ben Richardson | Secretary: Ana Richardson | Treasurer: Renee Carlson | Committee: Lola Cini, Sophie Howard, Becky Hopper, Sarah Male, Aimee Petersen, Cathie Preece, Nikola James, Brooke Pilkington

Trial Committee: Sarah Male (Secretary), Tracey Edgell

Welcome

Welcome to the Australian Shepherd Club of Victoria's Open Advanced Scent Work Trial.

The committee sincerely thanks our amazing judges, all those who have worked behind the scenes and the numerous volunteers who are assisting with the running of the trial. We thank St Thomas the Apostle Catholic Primary School for allowing us use of their lovely grounds and buildings and our generous sponsors who have supported us with our incredible raffle prizes and places.

And most importantly we thank all the competitors, from near and far, who have entered our trial. We greatly appreciate your support and hope you have an enjoyable and successful day.

Order of the day

Numbers will be available for you when you check in. Please only collect your own numbers.

Check in from 10.30pm

Judges' briefings at 11am

Judging will commence at 11.30 am with all elements running concurrently.

Exterior will flow through to Interior and Containers will flow through to Vehicles.

Presentations will be held at the conclusion of all elements.

Vetting

There will not be vetting at check in, however bitches in season must not be present at the trial. Any bitches found in season will be asked to be removed from the trial precinct immediately.

Placing and awards

Rosette/sash and prize for 1st, 2nd and 3rd place in each element.

Qualifying certificates, pass ribbons and title sashes will be presented.

Raffle

Raffle prize draws will take place at presentations. Prizes must be collected on the day or may be collected by a friend holding your ticket for you.

Tickets \$2 each or 3 for \$5. If you don't have cash, direct deposit is accepted.

Important information

There will be absolutely no access to the carpark prior to 9:30am to allow priority for those attending the church service.

Please respect the trial venue so that we have access again in the future. Do not take dogs anywhere near the Church. Please also respect the private properties around the school, do not park on nature strips, or block access to driveways or footpaths.

Please pick up after your dog at all times. There is ample grassed area to toilet your dog. Bring your own bags and take all your rubbish home with you, as it is during school holidays and bins won't be emptied prior to classes resuming. Please do not allow your dog to urinate on any building, fence or other structure at the venue.

Absolutely no smoking or vaping on the grounds under any circumstances. This includes the carpark.

Dogs must be kept on lead at all times (unless in a search area, if the judge allows) to ensure safety.

There will be 'no go' areas to restrict visibility or disturbance of search areas. Please respect these and observe any signs, cones and marshal directions.

Be reminded that you must NOT discuss your search or any aspects of the search area until the trial has been completed.

Do not bring any odour (birch, anise, clove, cypress) to the venue, and do not undertake any training during the trial. Warm up boxes will be available.

Spectators: unfortunately, limited space within the venue may not allow spectators and this will be at our judges' discretion.

School Holiday Program

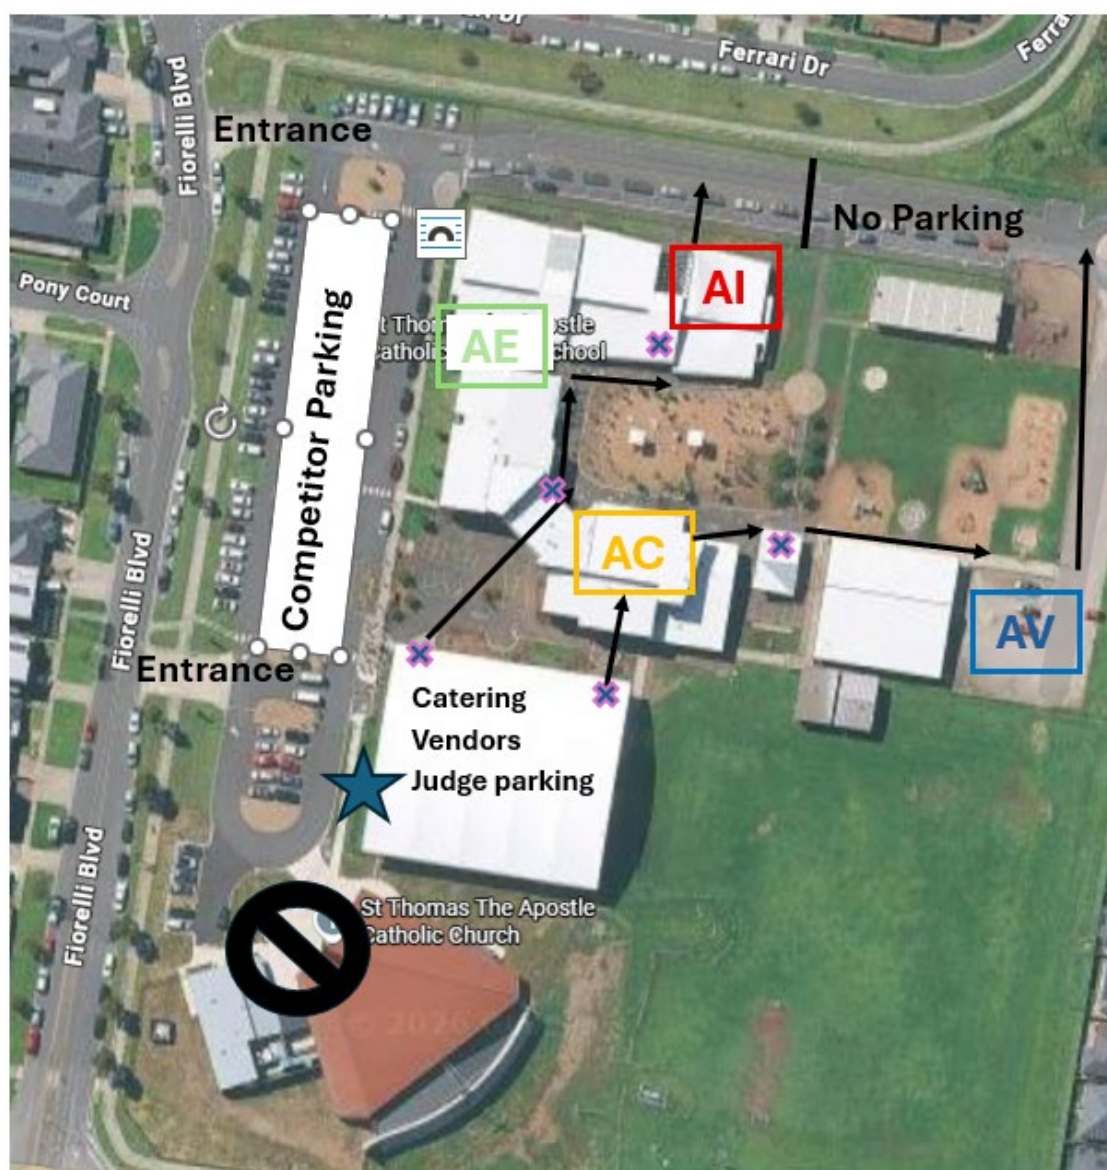

Please note that part of the school is being used during the trial for school holiday programs. As such please be mindful of children and carers during pick up and drop off times, especially crowding entrances and exits so no public or dogs are upset.

Map

Map is subject to change on the day if there are problems with sight lines.

Please note there will be two elements that move from one run to the next. Containers will flow to Vehicles and Exterior will flow to Interior. If you are only in one element in a flow, you will simply move through.

Marshalling will be at the blue dot for all elements, then move to the smaller blue/purple crosses along each flow line.

GOOD LUCK TO EVERYONE & HAVE FUN!
