From the Trial Secretary

Welcome everyone to the fifth K9 Agility Clubs Trick Dog Trial! I want to thank the K9 club for allowing me to run this crazy trial which is so much fun every year. I love seeing all the dogs competing 😊

We are welcoming new judges Meg Ryan, Tammy Beattie and Pam Child who have all assisted us with the running of prior trials and we are very excited to have them judge for us today. We also welcome our very experienced judge Sarah Trembath joins the judging panel. We have a busy day lined up for them.

Thank you also to our ring stewards who will be getting you in and out of the rings.

A thank you to Kerrie Piper for agreeing to be our VCA Rep today – thank you for joining us.

Our trial will be using Top Dog Events to enter the results live - therefore you can see your overall scores and results online. You can gauge the approximate progress of the rings by looking at the 'My Day' section. You can also take a photo of the scoresheet by asking at the Trial Secretary office. Any questions regarding your scores are to be addressed to the Trial Secretary, not at the rings. Any change of trick is to be advised to the judge BEFORE you enter the ring.

Please can everyone pitch in at the end of the day packing up the rings, tables and chairs. This ensures everyone can go home faster.

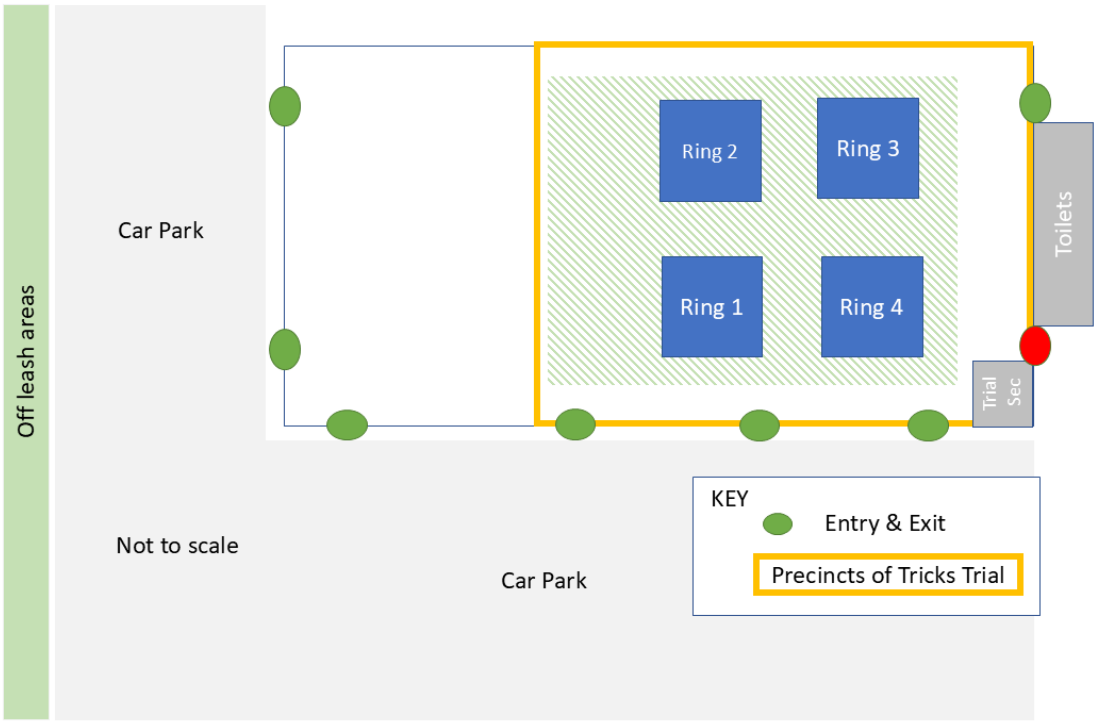
Hope you all have a fabulous day !!

Nikki Janetzki

Trial Secretary

Precincts of the Trial

Is the Boxhall Pavilion - closest to the secretary's office and toilets.



Buddy Up – Make a Friend

Getting your equipment in and out of the ring is an important part of the trial. So, a Buddy is essential in this process.

What does your Buddy do? We think the best process is that your Buddy holds your dog whilst you set up your equipment. Afterall, you know where everything needs to go. After your turn in the ring, you should retrieve your treats/toy from the table and exit the ring to reward your dog. Your Buddy's job will be to retrieve any handheld items from the table and any equipment in the ring. Smooth sailing right? :D

EVERYONE needs to have a Buddy 😊 – so make new friends and help each other out.

Setup, Crates and Show Trolleys

Dogs can be indoors provided they use their inside voices. Crates/trolleys are to be set up near the walls so that there is plenty of space for a walkway before the rubber flooring.

Please be respectful of dogs competing in the ring. This also applies to when you are packing up. Note that Judges, stewards, and helpers will be competing from 8:00 am.

Clashes

We have tried to schedule classes to avoid clashes however rings will flow at different rates so this can't always be avoided. You don't need to notify Stewards of clashes, however if you are scratching you will need to notify them.

We will be running in catalogue order as close as possible. If you are catalogued to run close to another of your dogs, please notify your steward and they can slot you in somewhere.

Qualifying Passes

Every effort has been made to ensure that the competitor and dog information is correct, but if any details in this catalogue are incorrect, please notify us prior to Sunday.
